

The Devil's Food

Scripture reading: Revelation 6:7-8

When the fourth seal was opened (see Revelation 6:7-8), John saw a "PALE" horse and the name of the one who sat on the horse was Death. Death was riding. Can you imagine that death will be riding to and fro through the earth? We have seen this and it is getting worse. "*Hell followed,*" the Bible says. Death strikes them down and hell swallows them up. We are talking about the death of many sinners. Sinner's blood will be shed.

You wonder why Satan would kill his own people. He has no power unless he gets it from the human realm. Satan has to kill people in order to get their blood. Blood must be shed for Satan's kingdom to go on. It is like how we kill cattle to get the strength to carry on our lives; we eat meat. Satan lives on humanity.

In Genesis 3:14b God cursed Satan, "*Upon thy belly shalt thou go, and dust shalt thou eat all the days of thy life.*" In verse 19 of the same chapter, God said to Adam, "*Dust thou art, and unto dust shalt thou return.*" Man became DEVIL'S FOOD. It is terrible, but it is great. If you could control the food of your enemy, then you would be assured of victory. All you would have to do is starve him out. If Satan can tempt us and we yield, he takes our energy, he takes our life. If we rise up IN CHRIST, he gets less and less from us. Then he has to depend on the people of the world for his food. You can see what is happening. Eventually, we will overthrow him, because we will cast him entirely out of our lives and out of our business.

(Excerpt from *The Book of Revelation, Volume 1*, pages 114-115)

Thought for today: Let us not submit to the devil's tricks but let us starve him out so that he would be entirely cast out of our lives.
