

The Company of Overcomers

Scripture reading: Jeremiah 31:31-34

In the book of Revelation, John saw all of us sitting here. John said he looked at the company of the overcomers and they were all worshipping the Lord. He saw you! Before you were born, he saw you, and you were worshipping the Lord; and God said, "It is good. Let them be birthed."

So, we are born in various, different circumstances. Some of us were born in darkness: "Lord, when I think of the night... my soul... in the past! It was so dark; it was so terrible; it was so hopeless!" Yet, God said, "It is good!" For God saw the end of it.

Although I cannot see the end of it, I am rejoicing in the end of it, for I know that God is seeing it. He said that all them that He called, He perfected (Ref. Romans 8:29-30). He said He called you because He already perfected you! He knows what you are going to go through!

Today we are up against the Church's greatest battle up to this point, and I believe there will be no greater when we overcome. The reason is that we are just a few years from the end of this age, and according to my understanding, after the end of this age, Christ must come forth and walk and talk in human flesh and blood. He must walk on the streets of the city and bring forth the glory of God; and mankind must see God walking through men! This is the promise. He said in Jeremiah 31:33, "*But this shall be the covenant that I will make with the house of Israel; After those days, saith the LORD, I will put my law in their inward parts, and write it in their hearts; and will be their God, and they shall be my people.*"

This promise was made to Israel, and as God engrafted us into this Israel, we became a part of the promise. So God must, I say, God must bring forth this thing on earth before He finishes the job! He cannot finish this age until He has brought this thing to pass! God must be God, and we must be a kingdom of priests, a royal priesthood, an holy nation, and a peculiar people unto God (Ref. 1 Peter 2:9). You are not satisfied with what you are right now and I am not satisfied with what I am. Then, if we are not satisfied, God is not satisfied either!

Thought for today: Let us strife in our daily lives towards having God's law written in our hearts.
