

Do You Believe God?

Scripture reading: Hebrew 11:6

I trust you remember that “*virgins*” in the Bible mean “*Christians*.” The “*foolish virgins*” in Matthew 25 are those who half-believe and half-don’t believe. In other words, they believe, but with a doubt. If you believe God, then why don’t you just believe Him? If you believe that God is God, why don’t you serve Him? Serving God is not running up and down the streets, telling people about Jesus and handing out tracts. To some people, that is serving God. In reality, even though it is part of it, it is the least of it. The greater part of serving God is to ALLOW the power of God to come into you (into God’s temple) to where you are a sanctified temple! When you allow God in, then God can do what He wants to do. You do not have to go all around telling everybody about Jesus. You do not have to go “*doing*” something.

For example, you went to minister the gospel in China. The day is going to come when we will walk through China, saying nothing at all. Not a word! Yet, breaking down the power of hell! Amen! Because the POWER of God will be coming through you! Hallelujah!

You have read of Charles Finney and men like him. I am not talking about those who you know, but I am talking about what you have heard about. Charles Finney went to a factory. As he walked through it, people fell from their seats and accepted Jesus without him saying a word.

Some people may say, “Well, we hear Brother duCille talk about God, but we have not known Him for ourselves.” But then, if you believe God, He will manifest Himself to you also.

Thought for today: Are you one of those who half-believe and half-don’t? Remember: if you believe God, He will manifest Himself to you!
