

The Dispensation That Brings Us out of Babylon

Scripture reading: Revelation 18:1-4

Let us look at the dispensation that brings us out of Babylon. Let us read about it. Turn to Ephesians 1:9, “*Having made known unto us (God) the mystery of his will, according to his good pleasure which he hath purposed in himself (Christ Jesus).*”

What is the will of God for you and for each person? It is that we become exactly like Jesus Christ Himself. Romans 8:29 says, “*For whom he did foreknow, he also did predestinate to be conformed to the image of his Son, that he might be the firstborn among many brethren.*”

Now, you do not have to worry about how the caterpillar is going to become a butterfly. The caterpillar doesn't worry. He just keeps eating. You do not have to worry about how you are going to become like Jesus, because God said that it is His will. It is God's will that you be like Jesus Christ!

Let us go back to Ephesians 1, “*Having made known unto us the mystery of his will, according to his good pleasure which he hath purposed in himself: That in the dispensation of the fullness of times...*”

The dispensation of the “*fullness of times*” is the seventh millennium. We are now in the seventh millennium. It is in this millennium that the “*fullness*” of Christ must come forth! Amen!

I was just encouraging a sister a while ago. I said, “Do not go off to college and go into some long four, five, six, or seven year program at this time, because it will not have any use to you in the kingdom. Your college degree will not have any use in the kingdom. It will be child's play, and as far as the kingdom goes, it will be petty knowledge; and some of it will be spurious and wrong knowledge.” Amen! Now, I am not going against education. But at this particular time, there is no time. Young people, there is no time! If you need to find something so that you can earn a living for the time being, then go get something that is quick. I said to the sister, “Go get an eighteen month course, or other short course that can help you to know something and earn some money and do something at this time. But don't you go into any long program, because, for instance, after a person takes seven years to go into medicine to become a doctor, it is going to take you another twenty years before you justify your seven years of labor. You do not have the time!” We don't have that time! We are through! Time has come to an end. We are through, brethren, it is the end!

Many do not believe. Yes! But God said that those who do not believe will be in the darkness and will suffer the penalties of *Babylon*. The penalties and the suffering that *Babylon* is going through, you are going to go through, too. Amen!

“*And I heard another voice from heaven, saying, Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues*” (Revelation 18:4).

Thought for today: Let us not fall amongst those who do not believe and who will suffer the penalties of *Babylon*. Let us be believing people who are preparing themselves for the coming of the Lord.
