

Submitting to the Head

Scripture reading: Ephesians 1:15-23

Let us look a little closer at the body of Christ. I am a part of the body and you are a part of the body. For example, you are an eye; then I ask you, "Brother Jim, what have you seen?" Because you are an "eye." The other one is a "hand," and I say to him, "Help me to heal my wound. Massage my wound; minister to my wound." Amen! "You are a hand! Help me here." Then I am yet another ministry. Maybe some of you are just a "nose." But the nose was made to "smell." The great thing about God's business and what God is saying to us is that a nose cannot "see," it can only "smell." A smell is not something that you can see. So if I am in the room and I discern, I call out to my wife, Mavis, "Something is burning!" How do I know? My nose tells me that something is burning in the kitchen. Don't you hear me? This is the body of Christ! You are different parts of the body of Christ made in order to function, but you will not function if you do not submit to the Head. Amen.

Some noses have a cold, and they cannot smell. In order to smell, you must be healed of the cold. So sometimes the hand has to take some smelling salts (or whatever heals colds) to give it to you to heal the cold, so that your nose might smell. So then, for God's sake, for Christ's sake, let the body function, IN YOU! Amen! Praise God!

The thing is now coming together. But, guess what? We have to rise up into the cloud. The more you submit your mind to Jesus, the more you will go up into the cloud and begin to see the will of God for your life. Don't you understand? Let us rise up by thinking on the Word of God! "*By the Word of the Lord, we are made overcomers.*"

I wish that I could tell you all that is in my heart. There is a quickening, and the quickening lifts the frequency of your mind, and your mind lifts the frequency of your soul (your feelings, your desires, your will). The more you think on the things of the Lord, the more the frequency lifts, and all of a sudden you find yourself in a heavenly place where you are seeing things of heaven. Paul said that he saw (in the heavenlies) things that could not be uttered (2 Corinthians 12:4). Don't you understand?

Let me close with this: When it comes to your healing, you need to learn how to submit to the Spirit of God so that He might flow through you. For I cannot see the Spirit of God flowing through a sick body without healing that body. The moment you submit it to God, He is going to heal the body of the sickness. Praise God! Thank you, Jesus.

Thought for today: Submit to the Head in your daily operations, let Him flow through you in all you do and the body will function in you.
