

Looking at the Real Thing

Scripture reading: Ephesians 6:12

When you look at Ephesians 6:12, you understand that it is a deception when you believe that another man is against you. Look well, and you will see who is really against you. It is a spirit that is motivating the man, and the man is maybe one percent of what you are seeing. You see, most of the people that you see around you, I call them “artificial people.” You see a man coming along, strutting, swaggering—you do not really know what is in his mind. Maybe he is putting that on to deceive you, to make you see a bold, brave man when there is but a little whimpering kid inside. You see? So we wrestle not against “FLESH AND BLOOD.” Take your eyes off the things that you can see. The Bible says Jesus did not go by the seeing of the eyes or by the hearing of His ears (Isaiah 11:3). He was looking at the real thing.

Those of you who believe that somebody is against you, it is the first error that you are making towards that person. You should go to that person and do everything possible to win the person. Humble yourself to win the person, because you know that though that person might kill you, he is not against you. Your real enemy is the spirit that has the person in bondage, and he is his enemy and he is your enemy. We do not have human enemies! I mean, that sounds very peculiar compared to what is happening around now. You know, men are going around trying to kill, and these are men who are just murderers. They are not our enemies. The spirits that drive them are our enemies. Guess why God let them loose on you? Why would God let loose a spirit on you? It is because He has given you the power to CONTROL them!

I was walking in Miami one day. I walked into a wrong area and somebody didn't like it. He brought out his dog, a Doberman Pinscher. He commanded the dog to attack me. The dog came bounding towards me. I looked at him and said, “I REBUKE you in the name of Jesus!” The dog pulled back and that man was so shocked! He opened his eyes wide and looked. It was not the dog that was hit but it was the spirit that they had put in the dog to attack me!

So you must realize that we are living in a spiritual realm! Our realm here is the lowest. Let me say it again: the realm we are on is the lowest frequency. There is another frequency up here a little higher, where some other spirits are. Above them there are other spirits higher, and there are other spirits even higher above them! Amen! If you walk with the Lord, you will overcome in the area that God has given you. If you get out of your area you are in trouble, for you are going to meet spirits that are stronger.

Remember, *“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”*

Thought for today: Take your eyes off the things that you can see. As Jesus did not go by the seeing of His eyes or by the hearing of His ears, allow the Lord to train you to look at the real thing.
