

Build Power in God

Scripture reading: Mark 15:16-26

It is the faith in the Blood of Jesus Christ that releases us from the powers of hell. I began to learn from Jesus about the Blood. First of all, He got me to believe in it; then He put me in a battle wherein it defended me.

It so happened that when we went to India one time, we challenged the spirit of Kali and the ruling spirits of the area. This great Kali is the great enemy of mankind that all India is afraid of. We said to the people, "In the Name of Jesus, we will set you free from Kali."

That night we went to bed late, sometime after twelve; and no sooner than I closed my eyes, the thing jumped on me and grappled with me. I had no fear. That was one blessing—there was no fear. I think God must have done it; I just had a job to do. I said, "I rebuke you in the Name of Jesus! The Blood of Jesus be upon you!" The moment I said, "The Blood of Jesus," he disappeared. Thinking that I had won the battle, I turned to go out, but out of the wall the thing came with, "Hhyahh!" He made that sound with his bared teeth and grabbed my hand.

You have to understand the devil. If he cannot frighten you, he cannot beat you. Fear is one of his greatest weapons. If faith is our weapon, fear is his weapon; and you cannot have faith and fear at the same time. If you fear, you do not have faith, but if you have faith, you do not have any fear.

He jumped right out of the wall. His intention was a sudden attack to bring fear, fright, terror! Again, I was not afraid. He caught the two fingers of my left hand in his mouth and began to apply pressure on my fingers. While I am rebuking him, I took the two fingers and grabbed his tongue. There was a kind of stalemate there, but my rebuke did not stop him. Did you hear me? The word of my mouth needs to be purified so that I can blast the biggest enemy with the word of my mouth. Amen!

It did not stop him; he came back with a greater force. The Spirit of God whispered in my ears and said, "The Blood." I said, "Jesus Christ, bring down the Blood upon him." The Blood began to flow from the ceiling and dropped on his head. He began to wobble and I took one hand and pulled my finger out of his mouth. He fell to the floor like a bundle of rags and in the name of Jesus, I finally KICKED him outside!

I went to God and said, "Lord, what is it, then? Why was I able to use the Blood so effectively?" He replied, "Look back on your training. The Blood has built a monument inside of you."

Thought for today: Brethren, sleep on the Blood! Talk about it! Think about it! Build power in God! For the Blood of Jesus not only cleanses the soul, but it gives you power against the power of the enemy!
